Mrs. Zuber Honored

Recently news articles have revealed that Mrs. Lettie Zuber, Scott county's home economist for the past 4 years, had received the honor of being selected as one of two Iowa women to receive the Distinguished Service award.

This recognition was gratifying, but not particularly surprising to the hundreds of rural and urban families with whom Mrs. Zuber works, in both adult and youth work. The superior quality of the present family living and girls' 4-H work in the county is ample proof of the worth of her inspiring leadership.

Named winner of the state 4-H Home Improvement award this week, 17-year-old Sylvia Fahrenkrog, Walcott, will attend the 37th National 4-H Club Congress in Chicago Nov. 30 to Dec. 4. The announcement came to Mrs. Lettie E. Zuber, county extension home economist, from Esther Whetstone, state girls 4-H club leader at Iowa State College, Ames.

Accomplishments in interior improvements brought Sylvia her award. During her 8 years in 4-H club, she finished 34 articles of furniture, painted or papered 6 rooms and made 78 articles. Last year she refinished her bedroom and it was selected to be exhibited at the Iowa State Fair. Her bedroom is furnished with antiques and old furniture that has been in the family a long time, smoothed and finished. Sylvia says one of the chairs in her bedroom had been painted by her mother in her 4-H days.

Sylvia once finished a dozen chairs for her school to save them the expense of buying new ones. She comments, "At first it was hard to know what kind of wood lay beneath the old finish. Now I refinish only woods which are worth the time."

Home improvement seems to be a family project with the Fahrenkrogs. Last year Sylvia's older sister Marian attended Club Congress as a Home Improvement award winner, was selected one of eight national winners. The two girls are the daughters of Mr. and Mrs. A. Fahrenkrog.

Sylvia is president of the Blue Grass Sunshine Workers 4-H club, led by Marie Schlappahl and Mrs. Elwin Holdorf,

both of Walcott, is county 4-H Girl's President.

Her 4-H achievements spread into the fields of clothing, food and nutrition, and conservation. This year she tied for top honors in the state Better Groomed Girl contest.

Sylvia, a senior in Davenport High School, is president of her county 4-H organization this year. She was selected by the Farm Journal magazine to serve on Polly's Teen Panel for the coming year.

She estimates that she has made 117, remade 5 and repaired 159 garments; planned and prepared more than 1,000 meals, canned 124 quarts of food; froze 1,176 pounds and 300 pints of vegetables, fruit and meat; and put up nearly 100 jars of jams and jellies.

Totaled quantities make impressive figures. Combined with quality, the impression goes deeper. Sylvia has exhibited 31 articles at local events, 29 placing blue. She has taken 17 blue, 11 red and 1 white ribbon on her county fair exhibits.

1956 Sylvia was on the Iowa State Champion Dairy demonstration team. The team was asked to give this demonstration 10 other times. They appeared on television, at the Iowa State 4-H Judges' Training School and at the Iowa State 4-H Girls' convention.

She has been in on much of the "behind the scenes" work at county fairs, and has participated in county programs. She served as hostess at the county and state fairs and the Davenport Home Fashion Show.

Sylvia is one of 30 Iowa 4-H'ers awarded trips to the Congress. The group will join 1,300 delegates from all states, Puerto Rico and Hawaii, and

600 4-H leaders, guests, press representatives and donor representatives. Donor of the Home Improvement award is Sears - Roebuck Foundation, Chicago, who also provide county medals and eight national \$400 scholarships annually.

When Sylvia arrives in Chicago she'll soon be mingling with 1,300 other delegates from all parts of the United States and Hawaii and Puerto Rico. In addition there will be around 60 adult leaders and guests taking part in the program.

Club Congress delegates will have a full program. They'll hear prominent speakers, attend religious services, take part in assemblies and hold forth in discussion sessions. A trip to the International Live Stock Exposition where all of the delegates will parade in the arena in an afternoon and evening feature and one morning will be spent at the National 4-H Dress Revue. Tours of Chicago and visits to museums and other points of interest are scheduled and the members will be entertained at a number of meal events throughout the 5-day Congress.

The 4-H program that brought Sylvia her trip is co-operatively conducted by the Scott County Agricultural Extension District, the Agricultural and Home Economics Extension Service of Iowa State College, and the United States Department of Agriculture. The award programs and the Club Congress are arranged by the National Committee on Boys and Girls Club Work, Chicago. This committee is a voluntary group organized to aid the public agencies in furthering the 4-H program.

Scott Co. 4-H Girl Wins \$400.00 Scholarship

This was payday for Scott County 4-H girls attending the thirty-seventh National 4-H Club Congress. She was among a select group chosen from the 1,300 delegates to receive \$400 educational scholarships.

Sylvia Fahrenkrog, 17, of Walcott, became the second member of her family to win one of the eight national awards offered in the Home Improvement program by Sears - Roebuck Foundation, Chicago. Last year her sister Marian received the same award.

The girls are daughters of Mr. and Mrs. A. Fahrenkrog, both of whom are former 4-H members.

Sylvia, a Davenport, Iowa, High School senior, has 8 years of club work behind her. That she received recognition for her home improvement projects is only a partial indicator of her talents. She might easily have received recognition for her clothing accomplishments or for the skill she shows in food preparation and preserving.

Sylvia credits much of her success to the cooperation she received from her family in doing some of the difficult work. Her brothers extracted their pound of flesh, though, because they demanded that Sylvia help them with furniture for their room. An old dresser was refinished, paint was scraped from an oak chest and an old kitchen cabinet became a desk. All of it was given a limed oak finish.

Altogether Sylvia refinished 34 articles of furniture and made 78 articles for use in decoration or to provide conveniences in her room and home. She also helped with painting and papering six rooms.

Sylvia was a co-winner of the State 4-H better grooming award this year. She was a member of the State champion 4-H dairy demonstration team in 1956. She is president of the Scott County 4-H girls' group and a member of Farm Journal magazine's Folly's Teen Panel.

Iowa's Winners

Three Iowa 4-H girls were among the national award winners attending Club Congress, Nov. 30-Dec. 4 in Chicago. They were from left: Virginia Partridge, Route 2, Allerton, National safety winner; Sylvia Fahrenkrog, Route 2, Walcott, National Home Improvement winner; and Joyce Lamparek, Route 1, Cedar Rapids, National Recreation winner.

A \$400 scholarship was provided to the 4-H safety winner by General Motors and the 4-H home improvement winner by The Sears-Roebuck Foundation. An all-expense trip to the club Congress was provided the 4-H recreation winner by the National Committee on Boys and Girls Club Work.

Girls' Yearly Rec. Books Judged

Three hundred and forty-four 4-H girls yearly clothing record books were judged in the Extension Office on Monday, October 20th. Two hundred and forty-five were blue, ninety red and only nine white ribbons.

Three clubs had all blue ribbon record books which were: Rockingham, Merry Maids, Princeton Live Wires and Davenport Lassies.

E. Kretschmar, Davenport Lassies; Mrs. Clarence Bell and Mrs. Art Claeys, Sheridan Juniors; and Mrs. Eugene Newell, Winfield.

AMES (AP) — Last rites will be conducted here today for Mrs. Edith Barker, 77, one of the principals in the development of 4-H club work in Iowa. Burial will be in the Iowa State College Cemetery.

She died Thursday in an Ames hospital, where she had been under treatment for a heart condition. She completed 28 years of club work in 1946.

Nation Salutes 4-H Alumni

National 4-H Club Week, February 28-March 7

20 million alumni of the 4-H

In observing National 4-H movement, with many of them taking an active part in club work, as leaders and officials, Don Olson, Assistant County Extension Director, made a survey of youth in the county and found that an estimated 6 per cent of the rural, urban, and city girls and boys belong to one of the 34 4-H clubs in the county.

Olson looked back into county 4-H records and noted that in 1952 there were 685 boys and girls participating in 4-H. There were 30 clubs in the county — with only limited camping facilities. Today 4-H-ers in Scott County have access to camping grounds near that number, 785 are enrolled here and the State 4-H camp at Madrid.

The total shows 410 girls compared to 375 boys. "Much of the success of 4-H in Scott County," Olson said, "is due to the influence and help of parents and local volunteer leaders in guiding 4-H members. It would be impossible to maintain this large a program if it weren't for the generous assistance rendered by their 'friends' of 4-H."

In Iowa there are more than 54,000 young people in 4-H clubs. Nationally two and a quarter million youths participate in some phase of 4-H work. There are approximately

Featured Speaker At Rally Day

Ronald Tinnermeier of Newton, Iowa, will be featured speaker at 4-H Girls' Rally Day on Saturday, May 23, at North Scott Community School.

Ronald Tinnermeier

Ronald will talk and show slides on "My Home in Burma." He was a 1958 International Farm Youth Exchange delegate. He was one of the 50 young men and women participating in this program which is sponsored by the Iowa 4-H Clubs.

Ronald's home is on a 133 acre farm near Newton. He was active in 4-H club work for 9 years, participating in local, county and state activities.

During his 3 months in Burma, he lived with 3 farm families in different parts of the country. Sharing the daily work and other family activities, provided an opportunity for Tinnermeier and his hosts to observe and discuss the customs, life, and culture of their respective countries.

IFYE is a two-way exchange whereby selected farm youth from the United States are sent to live and work with farm families in other countries, and farm youth from cooperating countries come here to live and work with our farm families. The exchange, begun in 1948, has now spread to nearly 50 countries — in Africa, Asia, Europe, Latin America, the Pacific and the Middle East. No federal or state government funds are used to finance the exchanges.

This project is dedicated to the belief that understanding is the foundation of world peace. By giving farm youth an opportunity to learn another way of life by living it, the project helps rural young people to understand the problems and attitudes of rural people in other parts of the world.

Highlights of Girls 4-H Convention

By Nancy Boll
Hickory Grove Blue Belles

As each 4-H delegate leaves convention at Iowa State College there is one of many highlights which is most memorable to her. Undoubtedly "An Open Letter to Amy" by Dr. Robert Ray, director of the Institute of Public Affairs at the University of Iowa, would be among the top favorites.

In a letter to his 5 year old daughter, to be opened on her sixteenth birthday, Dr. Ray told of the citizenship responsibilities he expects from a teenage daughter. His message has been given the past three years for the State 4-H Girls' Convention. Here are excerpts from his letter.

"Dear Amy Jo —

There is a place for you in our country to do what you want as long as it doesn't destroy someone else's right to earn an honest living, or hurt other people. This is why we as parents are so glad you were born in America. We have wondered what profession you would choose; would it be a teacher or nurse you have wanted to be.

Of course, you can't vote yet, but your mother and I have wondered what kind of citizen you would be ever since you were born. To be a good citizen there is one thing I want you always to remember 'respect the rights of others because we expect them to respect ours'. When you reach voting age, you will join us in the business of citizenship with full voting rights, however, you must become a citizen in many other ways.

You have made many friends of different religions, different countries, and different complexions, I hope the Golden Rule is the basis of every religion. The Church to which you will belong to is a decision to which each person is responsible, as a result of his upbringing.

Freedom has survived in America for 2 centuries. One of our most exercised freedoms is to speak out, — to be wrong by opinion. Broad education is deep in the roots of our freedom. Our whole system of government is based on people governing themselves. People who cannot read, write, or communicate intelligently, cannot, of course, govern themselves. Remember dear, good citizens do not whisper, if you can't say anything above a whisper, you'd better not say anything at all. Your mother and I have learned that freedom like power takes responsibility. You as an individual must think to be free. Education and freedom go together like bacon and eggs.

There is one thought I want to leave you with, 'the sole end for which mankind are warranted, individually or collectively, in interfering with the liberty or action of any of their number is self-protection. The only part of the conduct of anyone, for which he is amenable to society, is that which concerns others. In the part which merely concerns himself, his independence is, of right, absolute. Over himself, over his own body and mind, the individual is sovereign' — John Stuart Mill."

Girls 4-H Convention Delegates

4-H Girls' Convention at Iowa State College will be June 9-12. Melva Lafrenz, county president for 1960, will attend a pre-convention workshop for all county presidents from July 7-9 at the college.

This will be the thirtieth 4-H Girls' Convention. This year at least 1,500 girls and chaperones are expected. It is one of the nicest experiences that a girl has in her club work. To be a delegate a girl must be 14 years old as of January 1, 1959, and in at least the second year of club work. A girl can only attend convention once as a club delegate.

"You — A Growing Personality, An Effective Group Member, A Responsible Citizen:" is the theme chosen for convention. Featured speakers on this year's program will be Mrs. Anne V. Zinzer, director of the Zinzer Personnel Service, Chicago, and Dr. Robert Ray, director, Institute of Public Affairs, University of Iowa. Mrs. Zinzer will discuss work opportunities for girls following high school graduation. She will emphasize the type of work available and the training requirements needed to acquire and maintain various jobs.

One of the topics to be presented by Dr. Ray is "An Open Letter to Amy." The letter to his 5-year old daughter tells what citizenship responsibilities he expects of her when she reaches 16 years of age. He will also discuss the role of leadership, and "You, and Your Opinion," later in the program.

On Thursday evening of the convention week, John W. Coverdale, Waterloo, chairman of the National Committee on Boys and Girls Club Work, will be initiated into the Iowa girls' 4-H organization as an honorary member. Following the initiation, delegates, and

leaders will view a dramatic presentation entitled "Journey into Space." Various county delegations and the 150-voice Girls' Chorus will take part in the program depicting the role played by IFYE's — International Farm Youth Exchanges — in bringing about international understanding.

In addition to the many workshops, discussions, and meetings, other features of the 1959 convention include the election of state officers and the better groomed girls contest, both of which are annual events.

Girls from Scott County that will have special responsibilities are: usher for general assemblies — Janet Riessen, Cleona; voting delegate—Melva Lafrenz, Sheridan; write the news article — Nancy Boll, Hickory Grove; help in the initiation ceremony with Clinton County — Sandra Ewoldt, Sheridan, and Joan Mess, Lincoln; lead in roll call — Carol Ann Hoffman, Winfield; to attend special activity session on Wednesday afternoon — Royanna Meinburg, Rockingham; Sandra Moffit, LeClaire; and Mrs. Don Seydel; to attend the session on Thursday afternoon — Sharon Hass, Liberty; Dorothy Brus, Buffalo; and Mrs. Clark Gray.

The names of Sylvia Brandt, Blue Grass; Dolores Boyle, Butler; and Joan Platt, Davenport, have been submitted for special musical try-outs.

Other club delegates will be Darlene Moeller, Belmort; Barbara Rostenbach, Davenport Joyettes; Patty Witt, Allens Grove; and Carolyn Tobey, Princeton.

The group will be chaperoned by Mrs. Robert Penniman, committee member; Mrs. Don Seydel, Rockingham, and Mrs. Clark Gray, Davenport, club leaders; and Mrs. Lettie E. Zuber, County Extension Home Economist.

Tri-County Camp Delegates

The 4-H Tri-County Camp will be at Camp Abe Lincoln from June 18-20. 4-H girls will attend from Scott, Cedar, and Muscatine Counties. Mrs. Marie Lindsay, Muscatine County Extension Home Economist, will be in charge of camp. The chaperons from Scott County will be Mrs. Don Olson, Davenport, Mrs. Lester Baughman, Long Grove, and Mrs. Lettie Zuber, County Extension Home Economist.

The handicraft will be leather tooling and making of a tile plaque. Recreation will include swimming, group games, campfire, and stunts.

Mrs. Roy Orr of West Liberty, Iowa will show her doll collection.

Each county will select two older girls for nominees for Spirit of Camp for 1959. Barbara Hahn of Hickory Grove Blue Belles, 1958 Spirit of Camp, will give a talk on "What Makes A Good Camper." Barbara will also crown the 1959 Spirit of Camp. The Spirit of Camp elected will have her expenses paid for camp in 1960.

The chaperons for the other counties are Cedar, Mrs. Elain Martens, County Extension Home Economist; Mrs. Duane Bolton and Mrs. Harold Hass; Muscatine County, Mrs. Marie Lindsay, County Extension Home Economist, Mrs. Marvin Brown, Mrs. James Shepard, and Margot Ann Smith.

Scott County Delegates are: Allens Grove, Betty Miller, Betty Spies; Belmont, Cynthia Hollingsworth, Karen Oltmanns; Buffalo, Darlene Brus, Mary Ellen Hamerlinch; Blue Grass, Jean Ehrecke, Gail Bein, Barbara Holdorf; Butler, Martha Knapper; Diane Morris; Cleona, Mary Holst, Jeanine Reissen, Lana Revenmeyer; Davenport Lassies, Lisbeth Zost, LeNola Holst; Davenport Joyettes, none; Davenport Sunbeams, none; Davenport Farmettes, Carol Peeters; Princeton, Yvonne Stacher; Mary Ann Gast; Hickory Grove Blue Belles, Kathleen Moeller, Barbara Stoeffen, Sandra Hahn, Nancy Meyer; LeClaire, Carol Burkamper, Eileen Moffit, Susan Haessler, Nancy Farrell; Liberty, Dianne Coussens; Lincoln, Shirley Goettsch, Sharon Oliver; Rockingham, Vicki Welf, Mary Mangels; Sheridan, Kathie Claeys, Mary Hoffman, Nancy Keppy; Winfield, Patricia Wilford, and Nancy Seligman.

Meetings For 4-H Girls

There are two important meetings for the 4-H girls. On Wednesday, June 24 at the Lend-A-Hand there will be a meeting at 2 p.m. for all girls who are going to be on a County Demonstration team. The adult person who is going to work with the team should also attend this meeting. At this time basic information will be given which all girls demonstrating will need to know. On Fri., June 26, there will be a meeting at the Extension Office, 234 Post Office Building, Davenport, Iowa at 2 p.m. for all girls who are starting a long-time record expense book this year. To start you must be in at least your third year of club work; or to receive county awards, it is necessary to keep a long-time record book.

Fifty 4-H'ers To Coed Camp

Fifty Scott County 4-H boys and girls will have 4 days of fun at State 4-H Camp near Madrid, Iowa, from June 28 — July 1 with 4-H'ers from Jones County. This is the second year the counties have enjoyed a camp together.

The 4-H girls have been busy baking, canning, making flower arrangements, and making place settings for their Local Achievement Shows. Due to the large number of entries there, we are assured of a large exhibit at the Mississippi Valley Fair.

In order that not too much food be left to spoil, the red and white ribbon baked exhibits will be given to Annie Wittenmeyer Home and Saint Vincent's Orphanage.

We would like to invite each of you to see our exhibits and listen to our demonstrations. Our exhibits will be in a different building this year. The building was previously known as the Manufacturer's Building which is the second building west of the grand stand. The building will be open each evening.

The demonstrations will be on August 13 and 14 in the Starlite Ball Room. The Food and Nutrition Demonstrations will be on Thursday, August 13 and the Dairy Demonstrations on Friday, August 14. There will be a separate news article for each day's demonstrations. The 4-H girls have some different and original ideas for their demonstrations. I am confident you will receive some new ideas to use in food preparation for your family or when entertaining.

The schedule for the 4-H girls' fair activities is —

SATURDAY, AUG. 8 —

1-4 p.m. — Checking in of canned goods, place settings, and all books as historian, secretary, yearly and long time expense books, and record books of girls in pre-contest.

SUNDAY, AUGUST 9 —

10 a.m. - 9 p.m. — Building open to public

MONDAY, AUGUST 10 —

8-11 a.m. — Checking in of all baked goods. Judging.

1-5 p.m.

TUESDAY, AUGUST 11 —

8:30-11:00 a.m. — Checking in of flower exhibits and center pieces. Judging of exhibits from 8 a.m.-5 p.m.

WEDNESDAY, AUGUST 12 —

9-11 a.m. — Checking in of cherry pies and judging. Five girls will be selected to enter the pie contest at Muscatine. Also judging of all books.

THURSDAY, AUGUST 13 —

Food demonstrations in Starlite Ball Room. There are 20 demonstrations.

FRIDAY, AUGUST 14 —

Dairy Demonstrations in Starlite Ball Room. There are 11 demonstrations.

SATURDAY, AUGUST 15 —

All exhibits checked out at 3 p.m. The 4-H girls' committee will not be responsible for exhibits left after 4 p.m.

The 1959 and 1960 girl's 4-H county officers and the county committee are very busy with the 4-H activities at the fair. If it were not for these people, it would be impossible to have such a large 4-H program

at the fair. They work many long hours during the busy fair time.

The judges for this year's fair will be Mrs. Earl Stewart, Dubuque, Iowa, a former Dubuque County Extension Home Economist and Mrs. Howard Watkins, Marengo, Iowa, a homemaking teacher in Amana High School. They judged here in 1958.

Do come visit us at the fair!

"REMEMBER THIS"

In all things there are dark and discouraging days. Everything seems to go wrong; but what of it? Another day is but a few hours away; the sun may shine more brightly, or your digestion may be in better order. If it rains, borrow an umbrella, but do not let a storm interfere with your progress toward the goal you started for. If in trying to master any kind of work you find it taking more time than you imagined would be required, grin and say to yourself, "Rome wasn't built in a day!"

4-H MEMBER'S GARDEN

First, plant five rows of peas:

Presence, Promptness, Preparedness, Patience, and Perseverance.

Next, plant a row of squashes:

Squash Gossip, Indifference, and Criticism.

Then, plant five rows of lettuce:

Let us be True to our obligations,

Let us Obey the rules and regulations,

Let us be Faithful to duty,

Let us be Loyal and Unselfish,

Let us love one another.

No garden is complete without turnips:

Turn up for meetings,

Turn up with a smile,

Turn up with new ideas,

Turn up with determination to make everything count for something
good and worthwhile.

If we practice this, what a wonderful crop of 4-H club members
we can have!

1. "All Through the Night"

Sleep my child, and peace attend thee
All thru the night;
Guardian angels God will send thee
All thru the night.
Soft the drowsy hours are creeping
Hill and vale in slumber steeping,
I my loving vigil keeping
All thru the night.

While the moon her watch is keeping
All thru the night;
While the weary world is sleeping
All thru the night.
O'er the spirit gently stealing
Visions of delight revealing,
Breathes a pure and holy feeling,
All thru the night.

2. "Doktor Eisenbart"

1st Verse

I am Herr Doktor Eisenbart,
Twilli willi witt, boom boom!
I'll cure your ills with healing art,
Twilli willi witt, boom boom!

2nd Verse

My patients call me "Iron Beard,"
Twilli willi witt, boom boom!
For all my cures I am revered,
Twilli willi witt, boom boom!

Chorus

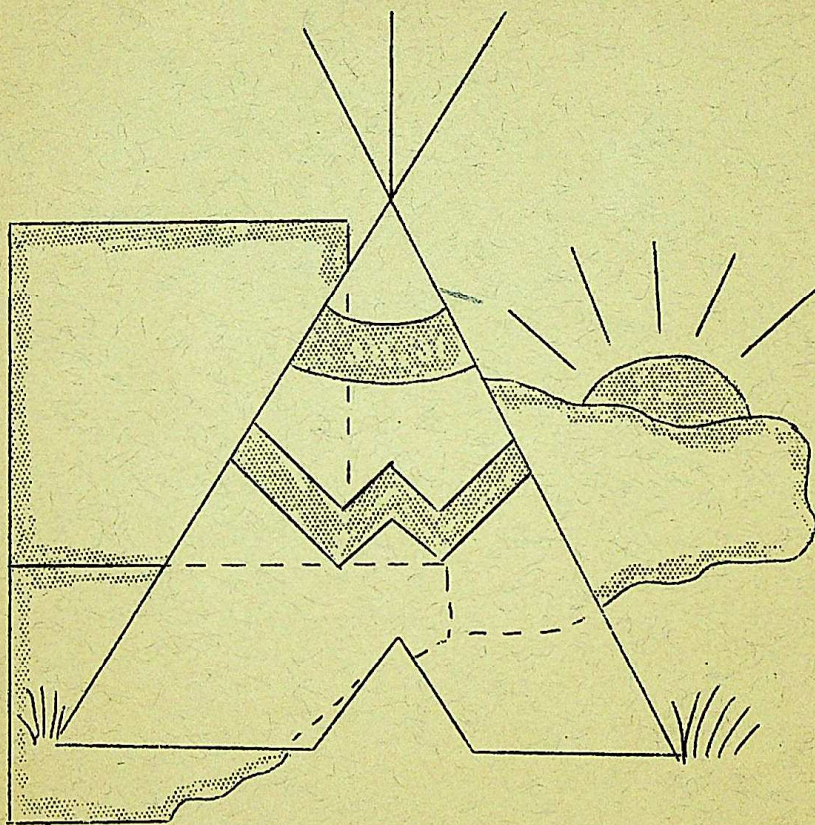

Now I can make the dumb to walk,
Twilli willi witt, boom boom boom boom!
The lame to see, the blind to talk,
Twilli willi witt, boom boom!
Sing toriay sing toriay!
Twilli willi witt, boom boom boom boom!
Sing toriay sing toriay!
Twilli willi witt, boom boom!

3. "America the Beautiful"

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain.
America! America!
God shed his grace on thee,
And crown thy good with brotherhood
From sea to shining sea.

O beautiful for patriot dream
That sees beyond the years
Thine alabaster cities gleam
Undim'd by human tears.
America! America!
God shed His grace on thee,
And crown thy good with brotherhood
From sea to shining sea.

1958-1959

Our 4-H club, the Buffalo Busy Bees, has accomplished and learned many new, useful, and interesting things this year.

The beginning of the new year was enhanced with the Annual Farm Youth Banquet held on the fourteenth of October at the Masonic Temple in Davenport. Many of our girls attended and had a quite enjoyable time.

On October 18 at our fall meeting we had our annual cookout and conservation hike. This was enjoyed by all.

October 31 found Mrs. Hamerlinck and Mrs. Duncan our leaders, at the organization training school where they received material for the following year.

On November 15, we had our regular meeting at the home of Ruth Willick. At this meeting we received our record books for the following year and planned our Christmas meeting.

November 20 took us to the Lend-a-Hand Club for Music Training School which Mary Hamerlinck, Beverly McClurg, Darlene Brus, and Mrs. Duncan

attended and had a wonderful time. Max Exner, Extension Music Specialist, made the whole evening very enjoyable.

On November 24 Diane Van Loon, Dorothy Brus, Patty Grimm, Esther Berryhill, and our leaders spent the evening planning our program for the following year.

December 17 Officers Training School was held at the Lend-a-Hand. All of our standing Officers except our president attended this very helpful meeting.

During the Christmas season we held our monthly meeting on December 19 at the K.P. Hall in Buffalo. Diane Van Loon served as hostess. After our business meeting we played games and learned one of the folk dances our representatives learned at Music Training School. We had our Christmas exchange and then spent the rest of the evening dancing and having a wonderful time.

Beginning the new year was Recreation Training School on January 5. Our representatives to this were Sandy Duncan, Diane Van Loon and our assistant leader Mrs. Duncan.

January 8 Mrs. Hamerlinck attended a Subject Matter Training School at the Lend-a-Hand Club.

On the third day of Januaray Dorothy Brus, Patty Grimm, Julie Rogenkamp attended a Courtesy Training School which was held at the Lend-a-Hand Club. Here they learned many helpful hints about courtesy.

Beginning the new month of February the Scott County Skating Party was held at the Trio Roller Rink on February seventh.

February 21 found us at the home of Barbara and Beverly Carlin for our monthly meeting.

Mrs. Hamerlinck and Mrs. Duncan attended an all day meeting held for the leaders on March 12.

Our all day meeting held on March 21 at the home of Dorothy Brus and Her sister Darlene. Here we prepared a full course breakfast and learned many new ideas for breakfast serving.

Nine girls and eight mothers spent an eventful evening at the Masonic Temple where they attended the Mother-Daughter Banquet on April 16.

On April 30 Mrs. Van Loon, Mrs. Hamerlinck, Mrs. Duncan attended a Training School and Judging Workout.

The annual 4-H Sock-Hop this year was held at the North Scott High School Gyn on May 8. Here Ed Zack showed us a very delightful time.

Our second all day meeting of the year was held on May 16 at the home of Mary Lou Dawson. Here we prepared and served our noon-day meal. After the dinner we thoroughly enjoyed we held our regular business meeting.

May 23 Rally Day was held at the North Scott High School Gym. We had the County business meeting and elected new county officers. Then we enjoyed a talk by Ronald Timmerman on "My Home in Burma".

Our delegate to 4-H State Convention this year was Dorothy Brus. It was held from June 9 to the 12. Here she spent a very interesting time.

Tri County Camp this year was attended by Darlene Brus and Mary Hamerlinck. It was held at Camp Abe Lincoln from June 18-20.

Our June meeting was held at the Blue Grass Legion Home. At this meeting we discussed our fair and Achievement Show plans.

June 24 Mary Dawson and Sandy Duncan attended a meeting at the Post Office where they recieved help with their fair demonstration.

A Long Time Record Book and Expense Account Meeting was held June 26. That evening a Baseball captain and co-captian meeting was held with Dorothy Brus and Barbara Carlin attending.

July 31 was the date set for our Achievement show. In the senior division there were 77 exhibits and in the junior division 20 exhibits were shown. This made a total of 97 exhibits out of which 83 recieved blue, 11 red, and 3 white. In the evening the 4-H girls and boys put on the program for the parents and members of the Farm Bureau. This consisted on the girls fair demonstration "Tall and Cool" by Sandy Duncan and Mary Lou Dawson. The boys blue ribbon demonstration was put on by Edward Hamerlinck and David Sulentic. Skits and 4-H singing by the boys and girls completed the program.

There were 97 articles taken to the Mississippi Valley Fair. The annual fair was held this year on August 10 to the 17th. Out of these 97 articles 23 recieved blue ribbons, 39 red ribbons and 8 white ribbons. One of the highlights of the fair was the demonstration given by the girls of each club. Our club was represented by Sandy Duncan and Mary Lou Dawson. They gave their Demonstration, "Tall and Cool" which recieved a red ribbon.

The last big event of the 4-H club year was the 4-H Farm Youth Banquet. This was held October 15 at the Masonic Temple. This was attended and enjoyed by many of our members.

Miss Diane Van Loon, President
Buffalo Busy Bees 4-H Club
R.R. #2
Walcott, Iowa

Dear Diane:

On behalf of the Iowa 4-H Club Foundation, I want to express our appreciation to you and the members of your 4-H Club for your recent contribution to the Iowa 4-H Camping Center. This contribution was sent to us by your County Extension Home Economist, Mrs. Lettie Zuber.

According to our records, the Scott County 4-H Clubs have made an annual contribution to the 4-H Club Foundation since 1955. Your past record plus the fact that 100 percent of the girls 4-H clubs in your county have participated this year, is one of the finest service records in the entire state.

Your club members can feel proud to have an important part in the development of the Iowa 4-H Camping Center. We hope you and all of the Scott County 4-H members will be privileged to participate in many of the training and camping programs at your new State 4-H Club Center.

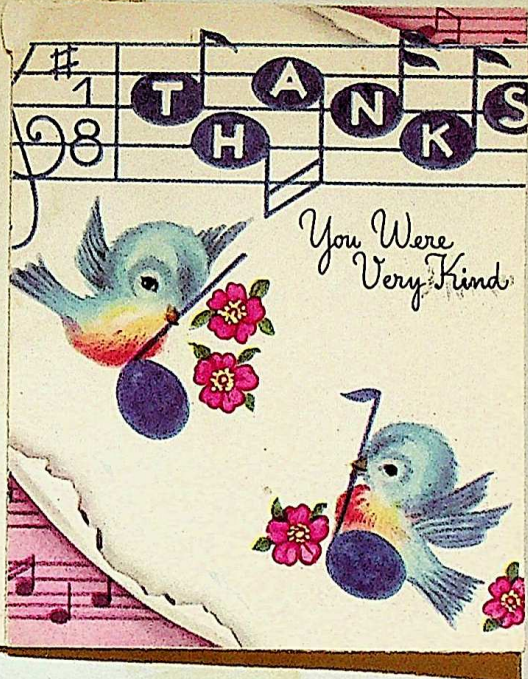

Again, thank you for your courtesies and support of this important program. We also extend our congratulations to you and your club for the excellent programs you are conducting.

Sincerely,

George Boehnke

WORLD ANTHEM

Brother, shout your country's anthem,
Sing your land's undying fame,
Light the wondrous tale of nations
With your people's golden name;
Tell your father's noble story,
Raise on high your country's sign;
Join, then, in the final glory,
Brother, light your flag with mine.

Hail the sun of Peace, now rising;
Hold the war clouds closer furled;
Blend your banners, O my brother,
In the rainbow of the world!
Red as blood, and blue as heaven,
Wise as age, and proud as youth,
Melt your colors, wonder woven,
In the great white light of Truth!

Build the road of Peace before us;
Build it wide and deep and long;
Speed the slow, remind the eager,
Help the weak and guide the strong,
None shall push aside another,
None shall let another fall,
March beside me, O my brother,
All for one, and one for all!

Dear Mrs. Hamerlinck,

Thanks loads for making our trip to Ames so much fun. I think that we had a lot more fun because you leaders did so much with us and trusted us. Some girls said they hadn't seen their leaders since they got there.

I'll never forget the night of our party. I'm still laughing about you hiding behind the desk.

Thanks a lot, Mrs. Hamerlinck, I'll remember our trip to State Convention always.

IOWA STATE COLLEGE

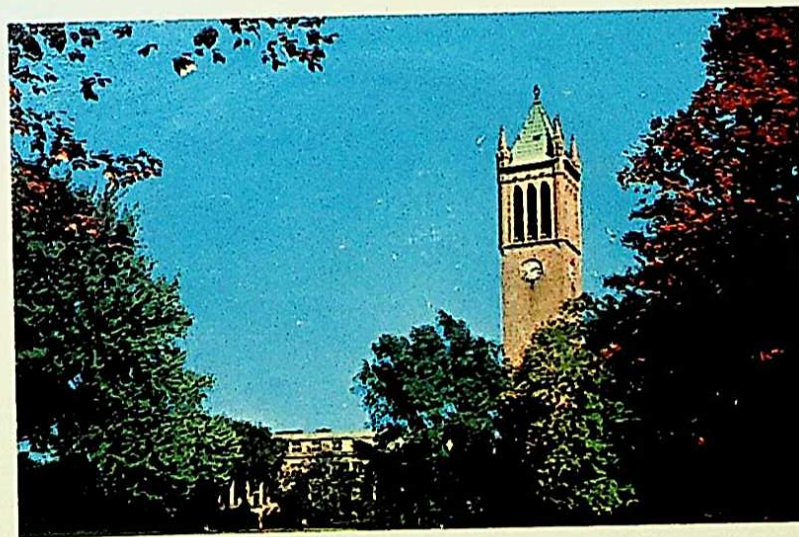

AMES, IOWA

THE CAMPANILE

Distinguished landmark of central campus is the campanile which houses the Stanton Memorial Carillon. In the background is Curtiss Hall, headquarters of the Division of Agriculture. Formerly called Agriculture

Hall, it is now named after Charles F. Curtiss, Dean of Agriculture from 1902 to 1932.

LAKE LAVERNE

West of Memorial Union, shown in the background, is tiny Lake Laverne which sometimes serves as a skating rink in winter and as a place for canoe races and other water sports during Iowa State's spring-time Veishea festival. During the summer months two white swans, known as Lancelot and Elaine, make the lake their home.

HOME ECONOMICS HALL

Dedicated in 1926, Home Economics Hall is the headquarters of the Division of Home Economics at Iowa State. The college is believed to have been the first to offer work of a home economics nature, and now has more undergraduates enrolled in home economics than any other college or university in the nation.

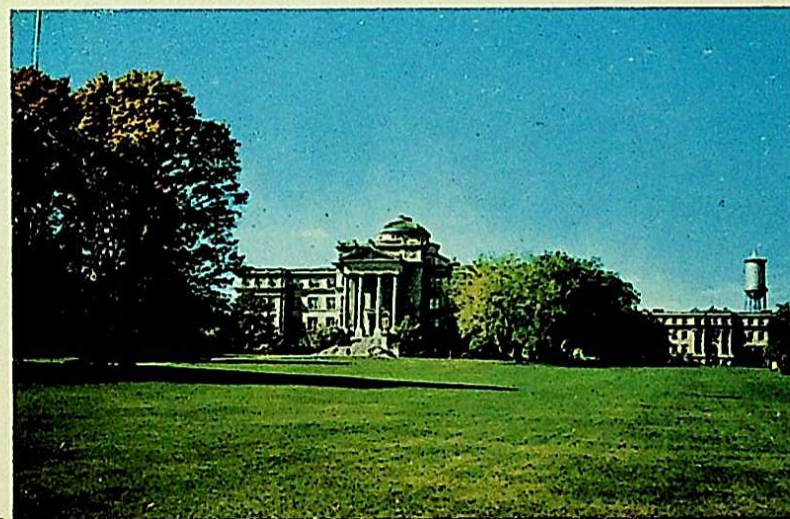

THE CHEMISTRY BUILDING

Largest department on the campus is the department of chemistry. It has approximately 40 senior staff members and 200 junior staff members. Some 4,000 undergraduates are registered for chemistry courses each quarter, and a great deal of research is constantly under way by graduate students and staff members. The four-story building, now filled to overflowing, was erected in 1913.

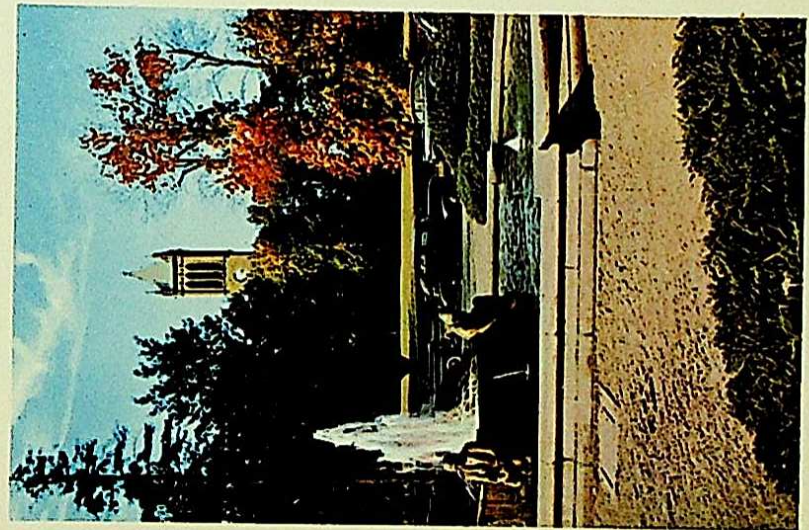

BEARDSHEAR HALL AND MARSTON HALL

Beardshear Hall houses the general college administrative offices as well as the headquarters of the Division of Science, the graduate college and a number of classrooms and departmental offices. Formerly known as Central Hall, its present name commemorates William Miller Beardshear who served as Iowa State's President from 1891 to 1902. In the background is Marston Hall, headquarters of the Division of Engineering. It was formerly known as Engineering Hall and now is named for Anson Marston, who served as dean of engineering from 1904 to 1932.

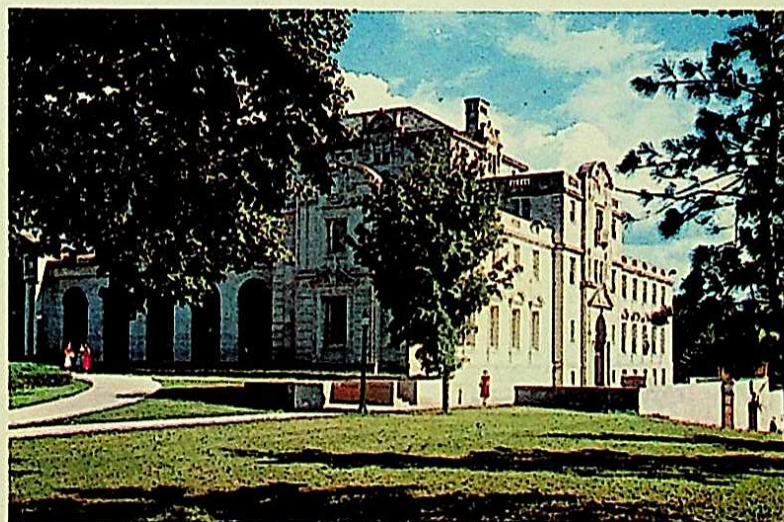

UNION FOUNTAIN AND CAMPANILE

A fountain in front of Memorial Union is the work of Christian Petersen of the college staff, who also has done a number of other works of various kinds around the campus as well as elsewhere in the nation. In the background is the campanile whose clock has struck the hours on the campus for more than half a century.

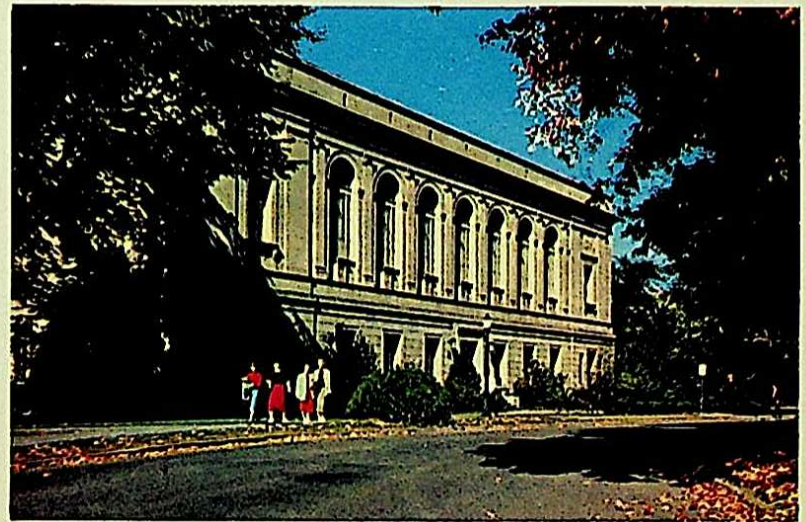

MEMORIAL UNION

Hub of the informal educational activities of the college as well as a spot for recreation is the Memorial Union. It is headquarters for student organizations, serves as a meeting place for student and faculty groups, is host to short courses and conventions, and opens its doors for concerts, lectures, banquets, dances and parties. It contains overnight guest rooms, a cafeteria and restaurant, lounges and bowling alleys among its many facilities. First opened in 1928, its most recent addition, occupied in 1952, is the northwest wing shown in the picture. The building is a memorial to Iowa State College men who gave their lives in service of their country.

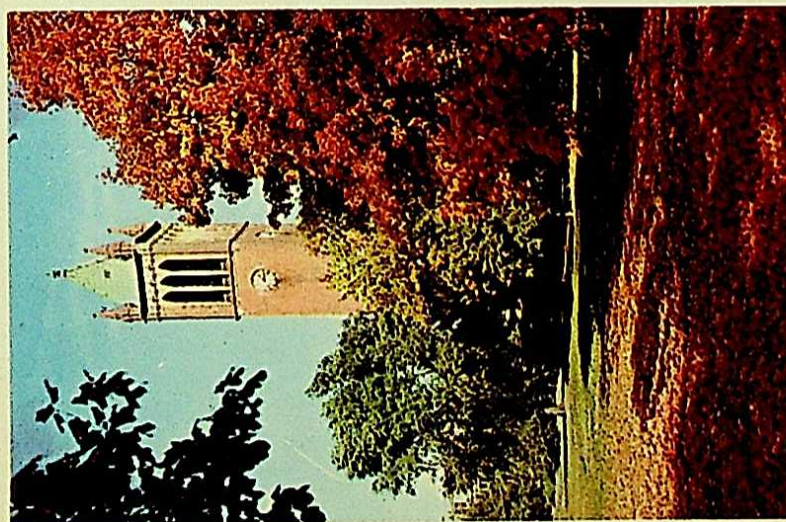

THE LIBRARY

Erected in 1925, the library is the center and source of academic activities on the campus. Its collections of books and periodicals are particularly outstanding in the fields of the basic and applied sciences. On its interior walls are several murals painted under the direction of Grant Wood, internationally-known Iowa artist.

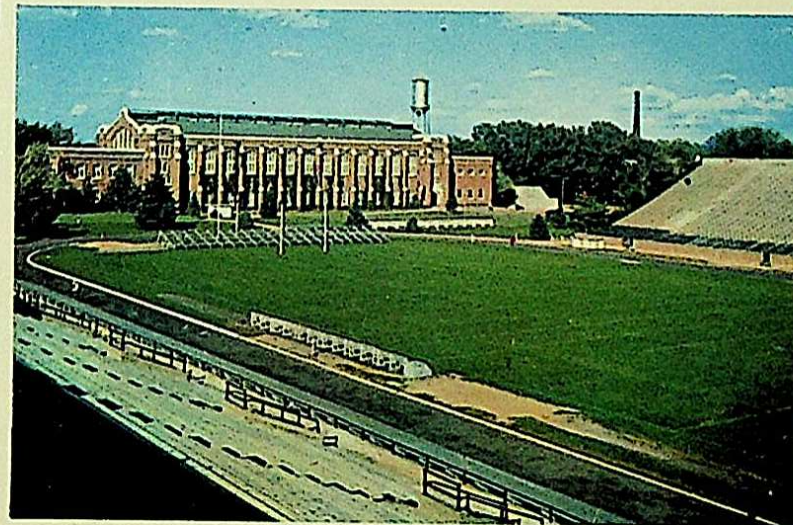

THE CAMPANILE

From the campanile each morning and each noon the bells of the carillon ring out. Hymns are played as students throng to their 8 A.M. classes. At 1 P.M. there is a brief concert of college songs or other light music. These and longer concerts on special occasions are played by the college carillonneur. The first scientifically tuned bells to leave Europe were brought to the Iowa State campus in 1899. Additional bells to complete the carillon were added in 1929. The Carillon is a memorial to Edgar W. and Margaret McDonald Stanton, early members of the college staff.

**CLYDE WILLIAMS FIELD AND STATE
GYMNASIUM**

Home of outdoor sports teams of Iowa State College is Clyde Williams Field where football, baseball and track teams perform. The field is named for Clyde Williams who coached football, baseball and basketball at the college, and served as athletic director from 1908 to 1919. State Gymnasium, in the background, was erected in 1912.

Iowa State College is a part of a unique and highly successful system of land-grant colleges and universities which have been called the outstanding contribution of the United States to higher education.

The college itself was established by the Seventh General Assembly of the State of Iowa on March 22, 1858, as a "state agricultural college and model farm."

In 1862 President Abraham Lincoln signed a bill providing that federal lands be sold in each state for the establishment of a college to "promote the liberal and practical education of the industrial classes." These colleges were to emphasize research and teaching both in agriculture and in industry.

Iowa State College became Iowa's link in the land-grant college system which has been an amazing success in coping with the problems of the twentieth century as part of our total educational framework.

Chief Divisions of the College are Agriculture, Engineering, Home Economics, Science and Veterinary Medicine. In addition to teaching on the campus, Iowa State has an extensive program of research, and carries its knowledge to every corner of the state through extension service.

Activities At 4-H Camp

The annual tri-county camp for 4-H girls from Scott, Cedar and Muscatine counties, held at Camp Abe Lincoln near Buffalo last week, provided a variety of activities for the 85 girls in attendance. Pic-

tured are some of the activities which made up the camp life. Others included swimming, camp fires, stunt nights, and recreation. Girls are selected by their club members as camp delegates.

Girls Learn To Play Indian Games

With frequent rains making outdoor activities impossible, one of the major features of the girls' 4-H camp was the learning of Indian games. Chief

George Young Bear was the instructor and told the girls the purpose behind the different games.

Another Craft Project

Ceramics was another of the craft projects taken up during the 4-H camp. Working on the project are (left to right) Sherry Bell, Bennett, of the Inland Jolly Juniors; Pelly Grimm, Blue

Grass, of the Buffalo Busy Bees; and Laura Albrecht, Nichols, of the Pike Peppy Pals. Mrs. Milo Ahrens, (standing) Tipton, leader of the Cedar Peppy club, was the instructor.

Name Spirit Of Camp

Girls attending the tri-county 4-H camp the past week selected Barbara Hahn (center, front row) as Spirit of Camp. She will receive an all-expense trip to the camp next year. She is the daughter of Mr. and Mrs. Harry Hahn, Davenport, and is a member of the Hickory Grove Blue Belles. Other candidates for the title were (front

row, left to right) Janice Hetzler, Atalissa, of the Goshen Gleaners; Shirley Boorn, Moscow, of the Moscow Busy Bees; and (back row) Virginia Pollock, Long Grove, of the Winfield Wo-He-Lo; Jean Schwitzer, Tipton of the Center Busy Bees; and Mary Kay Hasselbusch, Clarence, of the Happy Steppers.

4-H'ers Attend State Camp

The group will enjoy camping from July 13th to 16th with forty-four 4-H'ers and seven counsellors from Jones County. This is the first time that Scott County has participated with another county. The group will live in tents in Maple Village which is the largest in the camp.

Camping experiences will include handicraft, swimming, canoeing, nature study, recreation, matins, campfire, stunt night, vespers, flag raising, bird hike and just a lot of good fun.

The group journeyed to the State 4-H Camp in Mr. Moore's buses. On the way home, one group will eat supper at Bill Zuber's at Amana and the other group at the Holiday House near Mt. Vernon, Iowa.

AN AFRICAN WOMAN'S PRAYER

(Given in Clothing Division at 4-H Girl's Convention)

Our Kind Father Who art in Heaven, Give us some seam to sew.
Thou, O Lord, art the shining needle; we are the twisted thread.
As the thread can do nothing of itself, no more can we, except
we be threaded in Thee.

We thank Thee that the needle has need of the spool, and that
Thou dost call us to work together with Thee. Grant that there
may be no tangles or knots in the thread of our lives to hinder
Thy sewing.

Even as the thread, with perfect obedience follows the needle
in and out of the fabric, so may we follow Thy leading this
day and every day.

And grant, O Father, that when the spool is empty and the thread
of our earthly life has come to end, we may look on the finished
robe and marvel at the perfect pattern Thou hast perfected while
using the thread of our imperfect lives.

We ask it in the name of Thy Son who has given us His seamless
robe to wear, so that we may come into Thy presence unashamed.

Amen.

"Kindness is the sunshine
In which virtue grows"

- R. G. Ingersoll

T O M O R R O W

"I believe in tomorrow because it is unspoiled. I have not, nor has anyone, yet written on it with the grimy finger of folly or selfishness or sin. No wars have been fought in Tomorrow. No lie has been told, or dishonest deed done, in Tomorrow. No man has treacherously failed a friend in Tomorrow. Tomorrow is one clean, beautiful day, the day on which dreams come true, on which the impossible things will yet be done, on which I shall have the nerve and the will to be and to do that which was too much for me in the grim battle of Today."

"I'd Rather Be"

I'd rather be a Could Be
 If I could not be an Are;
 For a Could Be is a May Be,
 With a chance of touching par.

I'd rather be a Has Been
 Than a Might Have Been, by far;
 For a Might Have Been has never been,
 But a Has was once an Are.

1. "Let Us Sing Together" (4 part round)

Let us sing together,
Let us sing together,
One and all a joyous song,
Let us sing together,
One and all a joyous song.
Let us sing again and again,
Let us sing again and again
Let us sing again and again,
One and all a joyous song.

2. "Doktor Eisenbart"

I am Herr Doktor Ei-senbart,
Twil-li wil-li witt, boom boom!
I'll cure your ills with healing art,
Twil-li wil-li witt, boom boom!

2nd Verse

My patients call me "Iron Beard,"
Twil-li wil-li witt, boom boom!
For all my cures I am revered,
Twil-li wil-li witt, boom boom!

Chorus

Now I can make the dumb to walk,
Twil-li wil-li witt, boom boom boom boom!
The lame to see, the blind to talk,
Twil-li wil-li witt, boom boom!
Sing to-ri-ay sing to-ri-ay!
Twil-li wil-li witt, boom boom boom boom!
Sing to-ri-ay sing to-ri-ay!
Twil-li wil-li witt, boom boom!

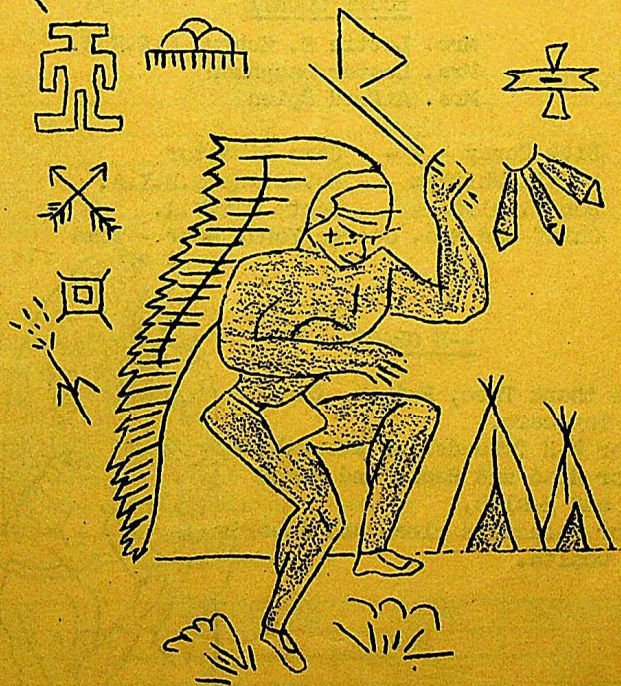

3. "4-H Field Song"

Sing for the wide, wide fields
Sing for the wide, wide sky.
Sing for the good, glad earth,

With the turf beneath our feet.

TO: ALL CLUB PRESIDENTS

Dear Club President:

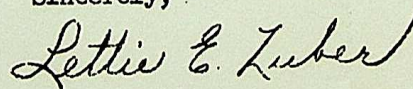

The 4-H clubs are given the opportunity to buy two (2) tickets to the Farm-Youth Banquet for their leaders. The banquet will be at the Masonic Temple again this year and will be on Thursday, October 16th. The cost of each ticket is \$2.75. Will you please take this up at your next club meeting? If you want your leaders to go, send a check for the amount to me not later than September 29th. Make the check out to the Scott County Extension Trust Account.

I think this is just one way for the 4-H girls to show their appreciation to their club leaders for the time they give you.

Remember the deadline date is September 29th. Instruct the treasurer to send the check at once to me: Mrs. Lettie E. Zuber - 234 Post Office Building - Davenport, Iowa.

The tickets will be sent directly to the club leader.

Sincerely,

Scott County Represented At State 4-H Leaders Day

Five persons from Scott County were among the more than 400 delegates from 92 Iowa counties who attended the seventh Annual State 4-H Leaders' Recognition Day held at Iowa State College, Ames, on January 28.

Those who were selected to represent all of the county's leaders at this years event were — Mrs. Leroy Orendorf, Mrs. Ray Baetke, Ralph Koberg, Ed Boll and J. R. Underwood.

Throughout the day one speaker after another recognized the contributions made by voluntary 4-H leaders. These same speakers then painted a vivid picture of the changing social structure in which we live and what it means in the lives of young people and to the 4-H program.

The first speaker told the leaders, "In the history of 4-H club work the project has become the symbol and in fact a unique feature of the program." He was Marvin A. Anderson, associate director of the Extension Service, who said, "In the early days 4-H work was directed to getting parents as well as children to accept technical changes on the farm and in the home. This is no longer a major need," he said.

In congratulating the leaders on their contributions to youth training, Anderson pointed out that in 1956 more than 7,300 leaders helped guide the 51,609 youths who belong to Iowa 4-H clubs. Scott county has 15 agriculture clubs with 375 members and 15 Home Economics clubs with 318 members.

George Beal, Iowa State College sociologist emphasized the shift in population that has made Iowa an urban rather than a rural state. He cited the decrease in total number of farms in the state, the increasing trend of farmers to take off-the-farm employment, the increased number of non-farm open-country dwellers and the need to train young people to fit into employment off the farm.

Joe Bohler, another Iowa State College sociologist, reported on a follow-up survey made in 1956 with a group of young people who were high school seniors in 1948. The study involved nine schools in Hamilton and Story counties. Of the 157 individuals first interviewed 152 were contacted the second time.

The survey showed, according

to Bohler, that the farm boys and girls are not finding the jobs in the professions that were their senior ambitions, that professional people are coming from the ranks of town boys and girls, and that relatively few of the farm youths are graduating from college.

There was universal agreement that there was a great need for guidance in job opportunities and in developing social skills.

"Helping boys and girls grow up is our business," Robert Pinches, state extension youth leader, said in his discussion of "What Changes Are Needed in Our 4-H Club Program." Among the points he listed were helping young people see realistically their opportunities in farming, agricultural related industries and services, and in a host of other vocations.

"We need to build into 4-H'ers a sense of direction and at the same time a flexibility to meet new and varied situations," Pinches said.

In a graphic presentation, Esther Whetstone, state girls' 4-H leader, and Stanley Davidson, assistant state boys' 4-H leader, built a picture for the leaders of the role of 4-H work in training young people to live in modern society. Through this voluntary organization they learn to co-operate, they learn to live in a changing world and they learn recreational skills. The youths also develop personal talents of work habits and self discipline, they learn skills and they learn to be members of the family team, the 4-H leader audience was told.

C. C. Lang, associate leader of 4-H club and young men and women's work in the Federal Extension Service of the United States Department of Agriculture, outlined for the leaders some of the rewards they get from their work when he spoke at the banquet. He quoted from statements made by leaders and members in which they stressed the opportunity to help young people grow and develop, the change to improve their own knowledge and the circles of new friends that were formed from contacts with other leaders and members.

Mrs. Ralph Mortimer, Dallas Center, responded for the leaders and expressed appreciation to the Extension Service and the Chain Store Council for the recognition of voluntary leadership that is the theme of the annual event.

423 Attend Mother-Banquet

Four hundred and twenty-three attended the 4-H Girls Mother and Daughter banquet on Tuesday, April 23rd at the Masonic Temple in Davenport.

Sharon Graham of Princeton Livewires and County 4-H Girls President, was toastmistress at the banquet.

Dr. Lydia Jordan in her talk "Womans Place in Today's World" said "that the American home is the foundation of the nation, and that homemaking and being a mother is the noblest of all professions. Compliments and appreciation oils the machinery of daily life. A few compliments each day makes everyone in the home feel better. Politeness toward each other makes for better family relationship." Dr. Jordan encouraged teenagers not to smoke and drink; that it wasn't smart or for health reasons to do either.

On motherhood, Dr. Jordan explained that a girl can never understand what a mother does until she becomes a mother. It is much easier for a mother to say "Yes," to her daughter than it is to say "No." The wise mother doesn't shield her daughter but helps her to make wise decisions, so that she knows how to face life as she matures.

Everyone is given talents and it is the wise mother who uses the talents wisely so they can become fine women and mothers in the homes of tomorrow.

Scott Rally Day Set For Bettendorf

Scott County girls' 4-H rally day will be held Thursday, June 27, in the Bettendorf High School gymnasium. Highlighting the program, which starts at 1:30 p.m., will be the election of officers and the initiation of honorary members.

Sharon Graham, of the Princeton Livewires, county president, will preside. She will be assisted by Deanna Rock, vice president; Phyllis Brus, secretary; Judith Riessen, treasurer; and Lois Gruenhagen, historian.

Girls' Leaders To Receive Clover Award

Five 4-H girls' leaders will receive the Clover Leaf award pins for 4-H club work. These pins are given through the courtesy of the state Farm Bureau office.

To receive the 10 year pin — which is a gold clover pin — are: Mrs. Alvin Rock, leader of Hickory Grove Blue Belles; Mrs. L. W. Kuehl, of county 4-H girls' committee, leader of Lincoln Go-Getters for 9 years and on county committee for 1 year; and Mrs. Raymond Boll, leader of Winfield Wo-He-Lo.

The 15 year pin is a gold clover pin with a pearl in it. These pins will be presented to Mrs. Lester Baughman, leader of Butler Wide Awakes, and Mrs. Clarence Dietz of the county 4-H committee. Mrs. Dietz has been the leader in Blue Grass and Buffalo clubs and served on the county committee.

These pins will be presented to the women at the annual 4-H county meeting.

Outstanding Number Of Long Time Record Books

Eighty-one 4-H girls submitted long-time record books to be judged which was done by the County 4-H Committee and three leaders — Marie Schlapkohl of Blue Grass, Mrs. Albert Hamann of Sheridan and Mrs. Lloyd Schmidt of Lincoln. This is the largest number of books ever judged in Scott County. Thirty-two girls started a long-time record book this year. A girl must be in her third or more year of club work before she can start a book.

If after a girl's name it says "County," this means that the girl will receive an appropriate pin as an award. The jam and jelly award won by Phyllis Kahler of Cleona is a large kettle, colander, spoons and jelly glasses. If it says "District," the girl's record book will be entered in the District contest in which 11 counties will be competing. If it places there, the book goes to State contest.

Of the eighty-one record books, forty-four received blue ribbons and thirty-seven received red ribbons. Lincoln Go-Getters had the largest number with thirteen long-time record books; second was Princeton Live Wires with nine books and third was Belmont Busy Bees with eight books.

GETTING THERE

A tree doesn't grow in a moment
A house isn't built in a day
A ladder you climb just a step at a time
And right with each job you must stay.

The way to get through is by sticking,
You'll never succeed if you shirk,
But once you've begun, go ahead till you're done,
There's but one way to win - that is to work.

"Sportsmanship"

We all have to work at the ability to take either
victory or defeat gracefully.

The 4-H slogan - "To win without bragging and
lose without squealing."

What an asset!

"GREETINGS TO THE LOCAL LEADER"

I wish for you - -

Health enough to make work a pleasure
Wealth enough to support your needs
Strength enough to battle with difficulties
to overcome them
Patience enough to confess your sins
and forsake them
Love enough to move you to be useful
and helpful to others
Faith enough to make real the things of God
Hope enough to remove all anxious fears
Concerning the future.

Mother dear,

In childhood days, when I began
To know the pressure of your hand,
Clasping firmly 'round my own,
When cares first came to frighten
I knew you stood so stolidly
Between a world of hurts and me.
You rounded off each jagged stone,
My tiny load to lighten.

In youth my life seemed much involved:
So many problems yet unsolved;
The wrong desire; the weakened will,
And then the step I must retrace.
But you, the saint of motherhood,
Did not condemn, but understood,
And, subtly, with unerring skill,
With me transgressions would erase.

And since I've come to woman's estate,
I realize 'tis not too late
To tell you, with a humble heart,
How bright you've made the paths I trod.
For though I've known heartache and tears,
Have traveled valleys dark with fears,
So perfectly you play your part,
You prove the verity of God.
For "God is love," and every act
Of yours proclaims this thought a fact.
And so there isn't anyone
More proud than I, to be

Your 4-H Daughter.
